

# Privacy Policy

Last updated: 25 May, 2018

This policy informs you about our collection, use and disclosure of Personal Information we receive from users of our website.

## Information Collection, Use and Disclosure

We collect and use your contact information only for communicating with you in response to your contacting us. By supplying your information in the submittal form on the 'Contact Us' page of our website, you agree to the collection and use of information in accordance with this policy.

### Collection

Information we collect includes only those contact details you voluntarily provide to us, which consists of your name and email address entered into the email submittal form, as well as other personally identifiable information you may supply in the message body, when communicating with us via the 'Contact Us' page of our website (Personal Information).

### Use

We use your Personal Information to communicate with you about your inquiry and for associated follow-up correspondence(s).

### Disclosure

We do not disclose your Personal Information to any third-parties.

## Cookies

Cookies are small data files which may be sent to your browser from a website, and stored on your computer, tablet or mobile device.

This website does not utilize cookies.

## Security

We endeavor to protect your Personal Information during transmission and data storage, employing commercially acceptable technologies and best practices. No method of transmission over the Internet or method of electronic storage is 100% secure, however, so we cannot guarantee its absolute security.

## Changes To This Privacy Policy
